

Bloomington Pumpkin Launch

Saturday November 7, 2015
Gates open at 11am
Launching begins at noon

Monroe County Fairgrounds
5700 W. Airport Rd
Bloomington, IN 47403

Vendor Information

- Schedule/site information:
 - You will be able to arrive beginning at 9am and must be in place and set up by 10:30am and ready to serve when the gates open at 11am
 - You should enter the site by Gate 3 (main fairgrounds entrance)
 - You will be setting up in the grassy areas along the road just north of Gate 3
 - You will be directed to your location upon check-in
 - The event should be wrapped up by 3:30 or 4pm (or possibly earlier depending on the number of launcher teams)
- Electricity, water, tables, and chairs will *NOT* be available so you will need to be totally self-powered (a generator may be used).
- Pop-up tents are allowed but they must be weighed down because the site can be very windy at times.
- Please consider getting into the fall spirit and incorporate food items that are fall or pumpkin related/flavored into your menu for the day.
- While there will be a few other food vendors on site for the event, we have done our best to have vendors that have different menus in order to limit the amount of product duplication at the event.
- Questions? Contact Bill Ream at reamw@bloomington.in.gov or 812-349-3748.

If you need anything on the day of the event prior to your arrival at the event site please call (not text) Bill Ream at 812-325-3663.
